GRADUATION

The evening event started at 7 PM, when all the graduates appeared through the doors of the auditorium. Then came the teachers, parents and siblings of the graduates.

The ceremony started with the speech of an old alumni Ana Vallejo, this was followed by the head students', Mrs Cáceres and Irene's speeches.

Then followed the prize giving to different students, with awards highlighting the students who best followed the five school values, the Astro Pi challenge and various other awards.

Finally , the graduates where called up to the stage one at a time by their tutor, Miss Jones and the head of KS5, Mrs Fuller, who were then handed their diploma by the Headteacher.

It all ended with a surprise video speech from Mrs and Emily Goldsack.

Lastly, the 2021 graduates all stood up and faced the audience with their final goodbye and exited the auditorium to end the event enjoying some good food and drinks with everyone.

New head students

Message from the head students:

Thank you all for voting for us. We are super super mega ultra excited for the next academic year!!! We have lots of stuff planned for next year, with more to come. We hope you enjoy your summer and come motivated next year.

We are grateful that Inés and Pia have set the bar high, so that next year will be the best year.

Happy holidays to all!

-From both Sophia and Diego
